Last Updated Sunday, 29 August 2010

Arnis Pape cares deeply about Jesus' appeal to the world through His church. He believes the church's purpose is to embody Christ — to express his love for humanity, to reflect his personal purity and devotion to God, and to engage in his mission of proclaiming the Kingdom of God.

Arnis has been in full-time ministry since 1984, and came to Westport Road from Texas in July, 1997. He holds bachelor's and master's degrees in biblical text and ministry from Abilene Christian University.

His wife, Connie, is our Children's Ministry leader. His son, Daniel, is working with the China Now program, and daughter, Ann, is attending college.
